BALLOT

Thinking about the upcoming Republican primary runoff election taking place on July 14th, if the election were held today and the candidates were Jeff Sessions and Tommy Tuberville for whom would you vote?

BOTH CANDIDATES WILL SUPPORT TRUMP

Please tell me if you agree or disagree with the following statement. Both candidates will support President Trump 100%. But Jeff Sessions has fought for conservative Alabama values his entire life, while Tommy Tuberville has never fought for conservative values and isn't even from Alabama.

RECUSAL - HEAD TO HEAD

Which of the follow statements comes closest to your opinion?

Some people say that Jeff Sessions had to recuse himself because that's clearly what the law required, and if Sessions had broken the law the media and the Democrats would have used that to badly hurt President Trump. They point out that Trump was exonerated, and that Jeff Sessions is a man of honor and integrity who always does the right thing and never takes the easy way out, even when doing so could hurt his own career.

Others say that Jeff Sessions failed to protect President Trump, that he let Trump down when he recused himself in the Mueller investigation. They say that Trump is right -- Sessions was too weak for the job of Attorney General and we should not vote to send him back to the US Senate

TRUMP IMPACT ON VOTE

Which of the follow statements comes closest to your opinion?

I support President Trump and will vote for him this fall, but I won't let him or anyone in Washington tell me who to vote for in the Senate race.

I agree with President Trump that Sessions let him down and therefore I'm going to do what President Trump is asking, I'm going to vote for Tommy Tuberville.

TRUMP SHOULD STOP ATTACKING SESSIONS

Do you agree or disagree with the following statement? I support President Trump and will vote for him this fall, but I wish he would stop hurling insults at Jeff Sessions. Sessions is a national conservative leader who has served Alabama well and who conducts himself with honor and dignity. That's why we can trust Jeff Sessions to do the right thing.

I CAN SUPPORT BOTH TRUMP AND SESSIONS

Do you agree or disagree with the following statement? Even though President Trump is supporting Tuberville against Jeff Sessions, as a Trump supporter I can still vote for Sessions in the primary, and be completely supportive of President Trump in his re-election this fall.
