

JEREMY H. ODEN
PUBLIC SERVICE COMMISSIONER
PLACE 1

Tony Beck
President
Crenshaw County Farmers Federation
357 S. Forest Ave.
Luverne AL 36049

Dear Tony:

Thank you so much for your support over the years. I am very proud of what we have been able to accomplish in Alabama.

It does not seem possible to me, but we are entering a new election cycle. I have been proud to have served on the Public Service Commission these past years. They have been good years for our state, with some struggles, but together we fought and stood strong. This would not have been possible without your support and the support of the Alabama Farmers Federation. We have stood steadfast for conservative pro-family and pro-business policies, winning many of these battles.

During my tenure at the Alabama Public Service Commission, our PSC has been recognized on multiple occasions as the most conservative regulatory body in America, which I consider a badge of honor. I have been a hardcore conservative my entire life. That is due to the rural Alabama values that are my birthright – the values of the Alabama Farmers Federation.

In my time here at the PSC – and previously as a state legislator- **I have supported the Alabama Farmers Federation and Agriculture businesses all over the state.** I have never wavered; I am on your side and will always be on your side. It is a commitment I made when I took the oath of office and one I will always honor.

I support Alabama farmers because I AM an Alabama farmer, as generations of my ancestors were before me. You can count on me. I am one of you. And I have a record I am proud of – a conservative, pro-agriculture record that I have defended against one of the most liberal federal intrusions of our history.

I will be a candidate for re-election in 2026. I humbly submit that I have earned another term due to my support of conservative Alabama values and consistent pro-business and pro-agriculture policies. I ask you for your support and help based on my record in this job, which I believe strongly supports my reelection.

I have attached my resume to this letter. I have always been a strong believer in hiring the best candidate for the job. I am confident that I am the best qualified candidate for Alabama Public Service Commissioner PL1.

Thank you for your time and consideration. If you ever need my assistance in any matter – large or small – please do not hesitate to contact me. My private line is (256) 565-7726.

Sincerely,

Jeremy H. Oden
Public Service Commissioner
